FLQA Sponsor FAQ

What is a FLQA Sponsor?

A FLQA Sponsor is an active Agent at eXp who recruited another agent to join eXp. The FLQA Sponsor will receive the FLQA credit.

How do I become a FLQA Sponsor?

To become a FLQA Sponsor, when the agent you recruited is onboarding or within the first 90 days of being with eXp, all three parties – New Agent, Sponsor, and FLQA Sponsor – will sign an ICA Addendum provided by the Growth team. Once the addendum is completed, the relationship will be created within our systems.

What do I earn as the FLQA Sponsor?

As the FLQA Sponsor, you will earn the FLQA credit for the sponsee. The Sponsor and their upline will continue to earn the revenue share generated from the sponsee.

Can I change my FLQA Sponsor?

No, once the FLQA Sponsor Addendum is completed, the decision is irrevocable.

**There is no change to our Sponsor change policy. Refer to your ICA for further information*

Can an agent who joined before program launch have an FLQA Sponsor?

Yes, Sponsor changes will be permitted dating back to July 1st to accommodate the addition of an FLQA Sponsor. After Oct. 1, 2024, named ICA Sponsor cannot be updated and agents have 90-days from their join date for parties to request an FLQA sponsor
